*UPDATED:*

## **All-Ukrainian Federation Ukrainian Wrestling On Belts 2022 International event calendar**

*Note:*

Due to the current security crisis in Ukraine, ALL-UKRAINIAN FEDERATION UKRAINIAN WRESTLING ON BELTS event calendar must be amended as international competitions can not be held in the territory of Ukraine.

The executive committee of the Federation considers that even though international competitions can not be held in Ukraine, it is as important as ever to continue our mission of promoting and educating the international community of Ukrainian unique history and culture through our national sport.

Therefore the decision was made not to cancel foreseen international events, instead to make amendments to locations and dates of the competitions as per new circumstances.

It should be understood that amendments are made with urgency and some confirmations are still in the process as are the exact dates. Details will be updated after consultations with the organizing committees will be completed.
